

## canister mug S/L

### “Canister with handle”

This canister has a handle like a mug, so it's more comfortable to hold, even for women's smaller hands. Sizes S and L are available and can be easily stacked together.

Put coffee beans in the brown canister, sugar in the blue... you can choose from 4 colours of canister to use as you wish. Be creative.

You can coordinate the whole kitchen with our kitchen tool cup and cutlery cup.
