Trash Can

niko

DESIGN
SMART
INNOVATION

ideaco-web.com

Includes a mini garbage sorting cup.

Ideal for wash rooms and children's rooms.
Burnable garbage on the larger side,
plastic garbage on the cup.
Designed so that it is easy to separate garbage.
The attached cup can be removed
and used in a different setting.

The cup can also be used on the table.

Sort plastic waste from combustible waste.
