Minimal bedside table with cable opening

The idea for developing this product came from a desire to have a simple + minimal desk by my bedside that could hold a mobile phone charger, a water pitcher, and a cup.

No complicated assembly required.
Welded finish prevents loosening for durability.
The B5 size top surface of 182 x 257 mm is an ideal compact size for use beside the bed.
The hole on the top surface is a slit for passing a charging cord through, and is also designed to be firmly fixed to the wall with a plasterboard pin (design registered).
By using two legs and the wall, it has a safe and stable load-bearing capacity.

Fix to the wall with included drywall pins (included).

minimal steel furniture

WALL Table B5

size : W257 / D182 / H490mm
(package size : W285 / D206 / H560mm)
weight : 1.4kg
material : steel(powder coating),PP(protective sticker),
plaster board pins(ABS・PE・stainless)
unit : 2
※carton size : 1325mm (W435 / D310 / H580mm)
※Withstand load : 3kg
※Registration of design application(Japan)
